

Update: PANP/Waskesiu and COVID-19 - Tuesday, May 11, 2021 1:30 pm

We are pleased to invite Board/Executive members of partner organizations, commercial operators, and all seasonal and permanent residents in Waskesiu to **join us for a virtual meeting/teleconference call on Tuesday, May 11, 2021 at 1:30 p.m.**

The purpose of the meeting is to provide you with an update on Parks Canada's Covid-19 response this operating season, to discuss various townsites topics, and to answer your questions. While we may not have all the answers, we would like to provide the information we currently have and give you an opportunity to ask questions. We are committed to keeping an open dialogue with you and to sharing information as soon as it becomes available.

Summary: For the most part, Parks Canada's operations in 2021 will look much like they did at the end of the last summer. What was open then will be open this season. We are anticipating completion of the new main beach house building soon. The Nature Centre and oTENTiks will remain closed due to the number of high touch surfaces in these spaces.
