

Summer jobs at the Lake! Waskesiu restaurant 2021

The Patio Cafe and The Scoop Ice Cream Parlour is now hiring for the 2021 summer season. Positions are available that start in May and June to the end of summer, or positions for July and August only, and also for high school age applicants who are here with their family for part of the summer. We are a family fast-casual style restaurant combined with The Scoop ice cream parlour, located in the summer resort town of Waskesiu, in Prince Albert National Park. Beaches, paddle-boarding, exploring, hiking - whatever makes summer fun, Waskesiu has it. Take off for the wild, play on the lake, or make new friends! 😊 Most staff should plan on working full time, 32 hours per week minimum, in order to justify the time we need to train.

We are hiring Servers, Scoopers, and Cooks. We are proud to be a safe and ethical employer and we strive to train our staff and help to build their character. We are looking for staff with energy and enthusiasm! Experience helps but what is essential is a good attitude, then we help you to build your resume with training and valuable experience. Pay raises are there for all positions when you demonstrate effort and ability, and there is a season-end bonus. Gratuities add up fast!

We are able to provide accommodations (subsidized, shared) only for applicants who have a record of demonstrated responsibility. If you are a young person with enthusiasm and some achievements in life so far, in school or work or sports, you can apply for a job at the lake with accommodations!

Servers (fast-casual style): Enthusiasm and a willingness to learn are most important. What you have done so far in life, either as early work experience or schooling or other activities should show you to be a dependable and energetic team player. Earn raises to 14/hr or higher as you prove your ability.

Scoopers: We will train new entry level workers. High school agers can start as soon as they get out of school and finish when they go back, or some work shorter terms while the family is on holiday in Waskesiu. If you are high school age and your family has a cabin in Waskesiu, or an RV sited in Waskesiu for all or part of the summer, you can join our team in the Scoop, or train for another position.

Cooks: Line cook and prep cook duties using our established procedures, in a modern and fully equipped kitchen, with a simple menu. Experience is valuable but we train entry level as well. Wages 13-18/hr depending on experience and ability, and shared accommodations may be provided.

All positions: We reward our staff with raises just as fast as you can show us your abilities. Gratuities are pooled and shared, and they are not unsubstantial. If you qualify for our safe and clean staff accommodations, they are subsidized to make them affordable.

APPLY NOW. If you will be in Waskesiu, or you Want to be in Waskesiu, your chances are great. (In the Scoop, temporary positions are possible according to your time at the lake.) Questions are welcome, by email or phone please.

Please reply by email to petstraw@sasktel.net with attached resume and/or any questions that you may have. We will reply with an application form so watch your email IN box.
